Two, a Porter leaves no enemy standing.

Threeâ€

Greerâ€™s been searching for love in all the wrong places. He wants kids â€ and lots of them, so itâ€™s time to get busy and find the lucky woman to share his bed and his life. Though there isnâ€™t a lot to choose from in the small town of Treepoint, he has managed to narrow his choices down to three.

Â

The strange thing is, the one heâ€™s falling in love with remains a mystery, hiding her face and name in the messages she sends from behind her computer. The mysterious woman may dodge his questions about her identity, but itâ€™s only a matter of time before she finds out that this Porter brother wonâ€™t back away from something he wants, and he wants her.

Â

Come hell or high water, he will find the one who goes by KentuckyGirl and make her his, despite what anyone says, even her. And KentuckyGirl is going to find out the last Porter rule the hard way: A Porter always stands his ground and leads his prey into his waiting armsâ€
